

Workshop Technician & Caretaker

**£24,960 Fulltime post (40hr/wk), 12month Contract
30 days annual leave pa (inclusive of bank holidays) + pension**

The Bristol North West Foodbank has a dedicated team of staff and volunteers who work in close partnership with local churches, schools, businesses and individuals to support those facing times of hardship. The Social Justice Hub in Avonmouth is our main base of operations. The Space4Makers workshop is a new part of our work which aims to help reduce social isolation and develop skills for life and work.

We are looking to recruit an enthusiastic, positive, flexible, polite, approachable person, who has integrity, is honest and reliable. Someone who is committed to the Christian ethos of the charity and has compassion and empathy for the people the Foodbank serves, and has a good understanding of the work of Foodbanks across the UK.

Your role would include supporting the workshop tutors and volunteers in running informal community workshop days; supporting the formal training being offered in the workshop; and maintaining the church and foodbank site and gardens. You will need excellent IT skills and be willing to learn new skills, as a key part of your role will be running our laser cutting and engraving system and helping to train others to use our CAD/CAM system.

For a job description and application form, please contact Emma Murray (Foodbank Manager) on 0117 9235343 or emma@bristolnwfoodbank.org.uk Alternatively you can download them from our website: www.bristolnorthwestfoodbank.org.uk

Closing date for applications: 9am on Tuesday 14th January 2022

Shortlisted candidates will need to be available for interview during the week commencing: 31st January 2022

Bristol North West Foodbank are committed to safeguarding children and vulnerable adults and expects all staff and volunteers to share this commitment. We follow recognised safer recruitment practices. This appointment is subject to an enhanced DBS check and positive references.
